

A few excerpts of Thought Leaders

associated with IMIS

Dr. Thomas P.D., S.J.
Ex-Director, XLRI

"I've been associated with IMIS right from its beginning. I'm very happy to know it has become one of the major management institutes in Orissa. Now the placement is extremely good as more & more industries are coming for the placements. Infrastructure is excellent. And the number of applications is growing up every year. I wish the institute every success."

Dr. Tanaya Mishra
Chief People Officer
ACC Concrete

"It's fantastic to see the kind of quality and the initiatives by the management. At the same time the intake of students is also extremely high. I've been recruiter to this campus when I was in Shopper Stop. Twenty-two students joined us. Even currently as Chief People Officer with ACC Concrete, I've taken students from IMIS and they are doing brilliant job. I am extremely happy to go back to the campus."

Rajesh Padmanabhan
Executive VP & Global Head of HR,
Patni Computer Systems Ltd.

"IMIS is leading b-school from India, which is powered by values and creates leader for corporate India. IMIS has also a very distinguished faculties and takes a lot of pride of its students fraternity as well."

Dr. Saji K.B. Nair
Professor (Marketing)
IIM - Lucknow

"I found the students to be one of the best lot that I've come across in the eastern India. I believe strongly that this school has got the potential to become one of the best b-schools in the country."

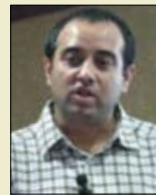

Dr. K.C. Chakrabarty
Dy. Governor, RBI

"It has been a wonderful experience to be in IMIS with all its students and faculty members. I am quite impressed with the excellent track record set in by the institute. Quality Management Education. Excellent work, keep it up."

Dr. Asit Mohapatra
Director-HR, Raymonds Textile Ltd.

"I've visited many campuses in India over the years. And I'm confident IMIS students will make a difference and they have been trained in such a way that they can be readily utilized by the industry professionals."

Salil Mehendale
Head - Talent Acquisition
Tata Communications Ltd.

"It was an amazing experience. Students are very sharp and realistic. Faculty members for a change in IMIS are very industry oriented & focus on industry expertise and educational skills."

Dr. Vishal Talwar
Professor- Dept. of Management
London School of Economics

"It was a very pleasant & enlightening experience for me to address such a good group of students. Very nice interaction. Also, I am thankful to the institute for taking such good care of me and the hospitality bestowed upon me. All the best to the students. I hope to come back again".

Dr. Aurobinda Tripathy
Dean, VGSOME, IIT-KGP

"It was a good experience interacting with the students. Very expressive and inquisitive students. Good campus. Pleasure to be around. Overall very nice experience."

Dr. Gourav Vallabh
