

Mark Ecstasy is a national level B-School event organized by the students of the IMIS. B-Schools from all over India participate in various events to showcase their talents. The events are designed in such a manner that gives a chance to the students to use their knowledge on some real life marketing issues of the corporate.

The objective of Mark Ecstasy has always been to provide a platform for B-School students to demonstrate their marketing skills, conceptual knowledge and develop strategies to win over others. Imagination, Innovation and Ecstasy blossoms to Mark Ecstasy featuring all the top management schools of the country. The platform is set every year for all the B-school students to demonstrate their marketing skills and prove their mettle as marketing professionals in making.
