HR CONCLAVE 2024

HR TRANSFORMATION: THE FUTURE AHEAD

20th April 2024

3.00 P.M. - 5.00 P.M.

About the Conference

IMIS is organizing its HR Conclave 2024 (Hybrid Mode) on the theme of "HR Transformation: The Future Ahead." Human Resources (HR) transformation refers to the process of reimagining and restructuring HR functions, processes, and technologies to better align with organizational goals, improve efficiency, and enhance employee experience. The current scenario in HR transformation is characterized by several trends including digitalization, remote work, employee experience, data analytics, agile HR, learning and development and many more.

The objective of this, HR Conclave 2024 (Hybrid Mode) is to give a platform where best HR professionals can share their insights on the evolution of HR practices in those temperamental times to bring about effectiveness in restructuring the workplace and workforce readiness in alignment with future needs and developments for a better transformation. The conclave discussion will provide an in-depth understanding on HR transformation efforts that will create more agile, data-driven, and employee-centric HR functions that can effectively support organizational growth and navigate the complexities of the modern workplace. The participant will gain valuable insights through the insightful discussion.

About IMIS

Ranked among the top 80 B-Schools in India, the Institute of Management and Information Science (IMIS) has firmly established itself as a prominent institution. Over the past decade, IMIS has cultivated a distinct reputation in the field of management education in the country. Since its inception in 1995, IMIS has consistently dedicated itself to providing education and training to aspiring managers and working professionals in techno-managerial disciplines, with a strong emphasis on value-based management education.

IMIS is committed to offering programs that are not only meaningful but also application-oriented, meticulously crafted by a skilled faculty team in collaboration with industry experts. In addition to the Post Graduate Diploma in Management, the inclusion of a finance program reflects its commitment to providing education tailored to the industry's needs. As an autonomous institution, IMIS has the freedom to shape its own curriculum, offering flexibility to continually update and incorporate the latest advancements in various courses.
