AN INVITATION

Celebrating 25 years of excellence in business education

Campus Recruitment Program 2021
Institute of Management & Information Science, Bhubaneswar

IMIS Bhubaneswar
Institution beyond Education for creating ready professionals
In recent times, with the wave of globalization sweeping across countries, the world has become integrated in all dimensions – cultural, social, political and economic. Globalisation has greater impact on institutional framework in both developing and industrialized countries. This will cast an all-time high demand on the quality of talents and skilled human resources. This will be more so, in the emerging competitive business environment. The global standard is going to determine the survival and growth of business entities. In this backdrop, the future managers will need to be groomed in a way they can meet the current challenges while maintaining the speed of the transformation process.

IMIS has been in the vanguard of management education since 1995. It has all along endeavored to address the issues of employability of the management graduates in a consistent manner. Its excellent industry-academic interface has made it possible to produce industry-ready professionals to deliver results right from the time of entry into the corporate world. Skill building by industry experts, opportunities for live projects by industry giants and involvement of corporate leaders in designing the curriculum are some of the initiatives in this direction.

The class of 2021 is all set to enter the corporate world. We have always enjoyed the full support of our esteemed recruiters in finding opportunities for the talents in the past. We are confident that our talents of this batch would meet the expectations of the prospective employers.

With a hopeful note, we welcome all the esteemed employers to visit IMIS for a pre-placement interaction and sourcing of the right talents through participation in our Campus Recruitment Program (CRP) 2021.

Wishing a successful campus hiring.

Dr. Usha Kamilla
Director
Talent acquisition is gaining its importance for the right reasons. Undoubtedly, human capital has been prime mover of the industry and will continue to be so in future. In this context, IMIS has captured the essence of talent building in its every activity undertaken to prepare the future managers. While, the inputs from the industry is constantly gathered to keep the curriculum current, the mentoring process is made robust to produce holistic and pragmatic managers.

Series of corporate talks, excellent industry-institute interface, guidance of advisory board which is a mix of industry experts and academicians and the proactive research efforts are some of the ingredients that go into our talent building process. A continuous assessment and individual counselling of the student managers by domain experts in addition to skill development by senior corporate leaders help in bringing out industry ready managerial hands.

The class of 2021 comprising 86 students is a blend of management talents which will cater to varied needs of different sectors. The special feature of the Batch lies in talent portfolio with the students from different disciplines and geographical regions. This gives an added advantage for the recruiters from the stand point of talent sourcing. In fact, it becomes a one stop sourcing point: be it a regional requirement or for any functional role. The industry can have a wider range to choose from.

We extend our warmest invitation to the esteemed recruiters to give us an opportunity to be associated and partner in their success of talent acquisition.

Wishing your august presence in CRP 2021.

Learning through activities and events
Banking conclave is conducted by FinVista (Finance Club) in the campus every year. The purpose of this event is to provide a setting for academic researchers, students & practitioners understand the global picture of Banking & discuss new research in this area & exchange ideas that help in assimilating the shape of things to emerge.

Marketing Nuggets’ conceptualized at IMIS as a platform for students of marketing to interact with the thought leaders of corporate, has become a true success in bridging the gap between principles and

Management Odyssey, the annual management fest carrying the punch line “A Voyage Through The Waves of Creative Excellence” is meant for stimulation and promotion of professional management practice by providing a forum for mutual sharing of ideas, experience, expertise and talents towards achievement of managerial excellence in a creative sense.

Thinking Hat is another popular event conducted by Panacea, HR Club of IMIS to encourage the students to unleash the creative thought process and develop out-of-the-box thinking that moves away in diverging directions so as to involve a variety of aspects and thus lead to novel ideas and solutions.

Mark Ecstasy is a national level B-School event organized by the students of the IMIS. B-Schools from all over India participate in various events to showcase their talents. The events are designed in such a manner that gives a chance to the students to use their knowledge on some real life marketing issues of the corporate.

UMANG - a rural marketing mela is the prestigious event initiated by the students of IMIS for bridging the gap between the rural India and the Corporate. In this mission, corporate houses join hand to promote their products to reach out the progressive rural masses. Apart from show casing the products and services, the students organize health camps, micro finance lectures and competition for the school children.

One of the social activities taken up by the students of the institute, is the act of giving back to the society, named as “SAHARSH...The IMIS Joy of Giving”. It is an attempt by the IMIS community to bring together like minded people and organizations who can come forward to celebrate the joy of giving and help - in a small way - the underprivileged and the needy.

IMIS Alumni Meet is a Home Coming Celebration to connect the alma mater with the Institute and to relive the golden moments and memories of day gone by and catch up with old friends, batch mate, teachers and staff.

Placement Office

The placement office handles all aspects of campus placements for the graduating students at IMIS Bhubaneswar. The office is well equipped with excellent infrastructure to support every stage of the placement process. Arrangement for Pre-Placement Talks, interviews, Group Discussions etc. are all handled by the staff at the office. The following facilities are made available for the various activities:

- Auditorium to conduct Pre-Placement Talks
- Well furnished air-conditioned rooms for interviews
- Fully computerized office
- Video conference
- Provision for SKYPE/Telephonic interview

The placement policies and other related activities are handled by Dean – Corporate Relations. The process of coordinating with companies for recruitment is handled by the Placement Office which consists of three Corporate Relations Officers. The companies are encouraged to contact Placement Cell for initial discussions and Placement Office for confirming all schedules and official communication.
Placement Guidelines, Schedule & Contacts

The Schedule

Pre-Placement Talk:
12th October 2020 onwards

Campus Recruitment Program:
2nd November 2020 onwards

Lateral Placement start date:
12th October 2020

General Guidelines

a) The Placement Office is the formal point of contact for placements at IMIS.
b) After receiving the communication about the offer details from the recruiting organization, the CVs of all the willing students are forwarded to the organization for reference and/or any further screening.
c) Recruiting organizations visit the campus on the decided dates and conduct a Pre-Placement Talk (PPT) communicating the relevant details about the company, the career, the offer & the selection process. Then the company/organization conducts tests and/or interviews according to their recruitment process.
d) The list of finally selected students is required to be furnished by the company/organization on the date of final interview.
e) Students once get the offer, may not be allowed to appear for other interviews as per the institute placement policy.
f) Offer letters of selected students must be sent in duplicate to the Training & Placement Office of IMIS, Bhubaneswar.

In & around Bhubaneswar

The history of the city stretches back over 2000 years. The area first appears as the ancient capital of Kalinga. Bhubaneshwar, the ‘city of temples’, named after Tribhuvaneswar, ‘Lord of Three Worlds’, still preserves over 500 of India’s finest temples, around which the religious life of the city revolves.

Mythological references and the epigraphic sources describe the area as Ekamra Kshetra and Saiva Pitha. In 1936, the Odisha (Orissa) became a separate province with Cuttack as its Capital, which was eventually changed to Bhubaneswar in 1956.

Together with Puri and Konark, Bhubaneswar forms the ‘golden triangle’—one of the most visited destinations in East India, for its proud possession of magnificent sculpture and majestic architectural heritage.

1. Lingaraj Temple
2. Puri Sea Beach
3. Lord Jagannath Temple
4. Konark Temple
5. Nandan Kanan Zoo
6. Chilika Lake
7. Dhauli Shanti Stup
Bhubaneswar Connectivity

Bhubaneswar, the Temple City of India is well connected to important cities by air and rail. It also houses many five star properties and places to enjoy local traditional Odia cuisine.

Located just 3 kms from the city centre towards the southern part of the city, the Biju Patnaik Airport in the capital city of Orissa is replete with all the needs of a modern day discerning traveller. Named after a great visionary patriot, Bijyandra Patnaik, popularly known as Biju Patnaik, the airport is well connected by road to the rest of city.

The Bhubaneswar airport, the only major airport in the state, is well connected to the cities of Kolkata, Delhi, Chennai, Mumbai, Vishakhapatnam, Hyderabad, and Raipur through regular flights.
